

Department of Computer Science and Engineering Central University of Haryana

Presents Webinar On

IoT-Cloud Based Systems & Large Scale Data Handling

Invited Speakers

Dr. Sarbani Roy, Professor

Department of Computer Science and Engineering, Jadavpur University, West Bengal
On: IoT-Cloud based System for Monitoring Application

Dr. Sunirmal Khattua, Asst. Professor

Department of Computer Science And Engineering, University Of Calcutta, West Bengal
On: Large Scale Data Handling with Distributed File System: A hands-on Approach

Details :

Event Date: 20.05.2020
Time : 2.15 pm to 4.15 pm
Registration Deadline: 19.05.2020, 05.00 pm

The webinar will be conducted via Cisco Webex. Join sessions using the Meeting id communicated to you via your registered email. Participants will be facilitated by e-certificate on successfully attending the webinar.

Reports of Webinar "**IoT-Cloud Based System & Large Scale Data Handling**", conducted by Department of Computer Science Engineering under SoET on 20 May 2020

The Webinar "**IoT-Cloud Based System & Large Scale Data Handling**" was successfully conducted by the Department of Computer Science Engineering under SOET on 20.05.2020. Two speakers were invited for sharing their knowledge in the field of IoT and large scale data handling. The details of the speaker are as follows:

1. Dr. Sunirmal Khatua: Assistant professor in the Department of Computer Science and Engineering, University Of Calcutta, West Bengal.
Topic: *Large Scale Data Handling with Distributed File System: A hands-on Approach* (Duration: 2.15 pm to 3.30 pm)
2. Dr. Sarbani Roy: Professor, in the Department of Computer Science and Engineering, Jadavpur University, West Bengal.
Topic: *IoT-Cloud based System for Monitoring Application* (Duration 3.35 to 4.45)

The total number of students applied for the webinar was around 116 but only 65 participants were able to attend due to the limited number of seats. The webinar was conducted through Cisco Webex. The information shared by the speakers was really helpful for students in development of projects. The brochure of the event is attached herewith. Further, image of the Webinar and the brochure is given below"
